

More Than Activities...

Be able to go to work, with the peace of mind that your child/children are going to have great days of adventure on the beautiful North Shore of Vancouver

8 weeks of Adventures!

We are excited to offer 8 weeks of adventures. Each week has a special theme that incorporates activities that build on each child's esteem, confidence, sense of joy, relationships and sense of community. Each week will include arts, crafts, science, reading, baking, games and lots of physical activity.

A special field trip at the end of each week!

ECE Educated

Our staff are professionally trained Early Childhood Educators with their first aid certificates.

Field trips that require public transport will be accessed closer to date. Alternatives will be made.
